Reno, NV. The new year brings **EVERY BRILLIANT THING** written by Duncan Macmillan with Jonny Donahoe opening January 26th in sub-Brüka. Holly Natwora directs Mary Bennett in an interactive performance about how to get to the other side of grief with a list that takes on a life of its own. A beautiful and revelatory play about depression and the lengths we will go to for those we love. “[A] heart-wrenching, hilarious play...One of the funniest plays you’ll ever see about depression—and possibly one of the funniest plays you’ll ever see, full stop...There is something tough being confronted here—the guilt of not being able to make those we love happy—and it is explored with unflinching honesty.” —The Guardian (UK)
